Dear Drummond School Music Supporters,

This year, we're excited to reintroduce the patronage program to our school music program. This program allows you to support band and choir in Drummond and to help give our students opportunities that they would not otherwise have.

In past years, gifts from patrons have made it possible to professionally clean the marching band uniforms, create scholarships to send students to summer music camps, purchase and repair needed instruments, and make many more exciting improvements to the program. This year and next fall, we are hoping to use patronage funds to reduce the student cost of music class trip, purchase and repair needed instruments, cover the cost of students attending honors band and choir events so that financial need does not impact anyone's ability to participate, possible guest clinician workshops, and provide as many other opportunities for our student musicians as possible.

Your donation as a patron will be recognized with your name in our concert programs as well as on our Patron Staff in the hallway of the music wing of the school. Donors will have a personalized music note placed on the staff line that corresponds with their donor level -- Bronze, Silver, Gold, Platinum, and Diamond.

I would like to thank you all so much for your support and commitment to our music program. Whether you are able to give financially or not, none of this could happen without the enthusiastic parents and community members that put the children first and make school music possible. I am deeply grateful for all that you contribute to music in our community, whether it be a patronage donation, attendance at a concert, driving a child to events, or congratulating a performer on a job well done.

If you are interested in becoming a Drummond School Music Patron, please turn this sheet over for a form that can be returned to the school.

Musically,

Quint Schultz
